

## Change Password

Click  and you will get Change Password Option in drop down menus as shown in below picture

On Clicking [Change Password](#) below Screen will open. Enter the Old Password and then New password, re-enter the new password in Confirm password section and submit to successfully Change Password

The screenshot shows a 'Change Password' form. It has three input fields: 'Old Password', 'New Password', and 'Confirm Password'. Each field has a toggle icon to the right of the input box. Below the input fields is a red 'Submit' button. The form is titled 'Change Password' and is set against a light gray background.
