These craft will exhibit the appropriate local and international day and night signals.

Details : The works will include dredging and installation of steel pipes and towers.

Crane barges will be utilized for the installation of steel pipes and towers. The dredgers will have a circular safety working zone of 50-metre radius centered from the dredgers. The dredged materials will be transported to designated dumping ground by barges.

Temporary platforms are raised at Points A to F, painted yellow and illuminated.

Safety boats will be deployed to warn other craft in the vicinity of the working area.

Further enquires relating to the project can be directed to Mr Frank Lai, Project Manager at Tel: (65) 9474-7522 (email: ounge@oung.com.sg).

Caution : **When in the vicinity of the working area, mariners are reminded to:**

- a) **Keep well clear and not to enter the working area;**
- b) **Maintain a proper lookout;**
- c) **Proceed at a safe speed and navigate with caution;**
- d) **Maintain a listening watch on VHF Channel 12 (East Control); and**
- e) **Communicate with East Control on VHF Channel 12 for assistance, if required.**

Please call Capt. Frederick Wu at Tel: (65) 6773-7411 or Marine Safety Control Centre (MSCC) Duty Officer at (65) 6325-2488/2489 for clarification on this Port Marine Notice.
