5-Year Overview (JANUARY-MARCH)

NUMBER OF INCIDENTS

SIGNIFICANCE LEVEL OF ACTUAL INCIDENTS

CONTRIBUTING FACTORS

Proactive measures by
enforcement agencies

- > Intensified patrolling
- > Enhanced surveillance
- > Apprehension of
mastermind/perpetrators

Close cooperation
among all stakeholders in
information sharing and
operational responses

Timely reporting, enhanced
vigilance and adopting of best
practices by ship master/
crew/operator

Location of Incidents

KIDNAPPING OF CREW

On 26 Mar 16, tug boat *Brahma 12* towing barge departed Kalimantan, Indonesia for Batangas, Philippines was boarded by 17 men armed with guns.

All 10 crew kidnapped for ransom.

INVESTIGATION ONGOING

CONCLUSION

- > Overall situation continued to improve during January-March 2016
- > However, of concern was the incident involving kidnapping of crew from tug boat *Brahma 12*
- > Worth commending was arrest made by ICG in February 2016
- > No room for complacency. No one agency can do it alone; we need cooperation and coordination of the littoral States, shipping industry and relevant stakeholders in working towards our shared commitment in keeping the sea in Asia safe
