

TAI CHONG CHEANG STEAMSHIP CO (SINGAPORE) PTE LTD

SAFETY AND ENVIRONMENTAL PROTECTION POLICY

As a shipping Company, we commit ourselves

**TO PROVIDE SAFE, RELIABLE, EFFICIENT AND HIGH QUALITY
TANKER TRANSPORTATION SERVICES.**

To attain this objective, the Company has adopted the following Safety and Environmental protection policies:

1. The Company shall provide Effective Management and Support to all Company managed vessels to ensure safe operations.
2. The Company shall Recruit / Hire Qualified Personnel for Shore-based and Shipboard Duties.
3. The proper training for shore-based and shipboard personnel will be conducted systematically and on a regular basis with the objective to continually Improve Staff Skills to Manage Emergencies and Protection of Environment in order to strive to achieve 'Zero Incident – Zero Spill'.
4. The Company is committed to maintain a continual improvement of the environmental management system to enhance environmental performance and to fulfill its compliance obligations.
5. The Company will Ensure Safe Working Practices and Safe Working Environment during Shipboard Operations and Proper Maintenance of Vessels in accordance with all relevant Rules and Regulations.
6. In maintaining these policies Company will remain Transparent and "Principle Driven"

To implement these policies, the Company has established a **SAFETY MANAGEMENT SYSTEM, (SMS) TO GUIDE SAFE OPERATION OF SHIPS AND ENVIRONMENTAL PROTECTION**. The SMS applies to TCC Singapore, TCC Hong Kong and to all Company managed vessels.
