**How to View Ship Specific Manuals?**
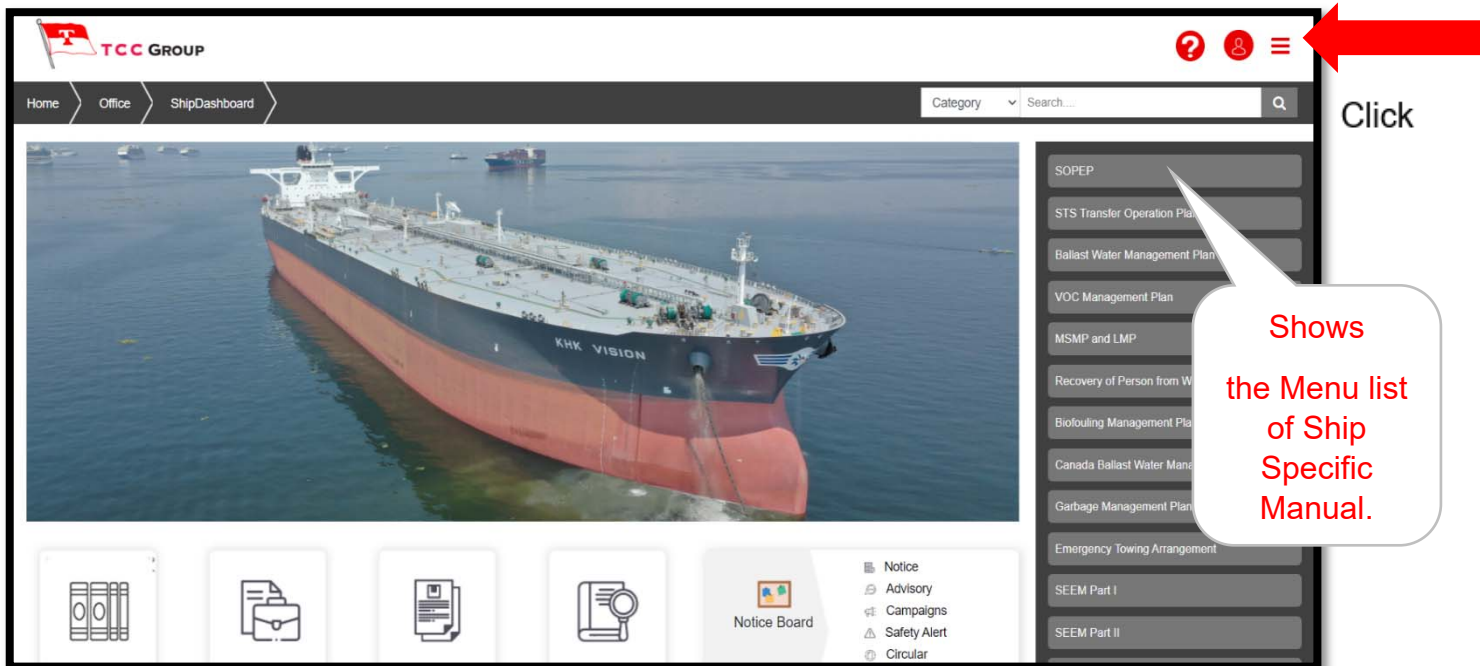

A. By moving the cursor over the ship's specific manuals & plans button, it shows all the names of the ships of the fleet.

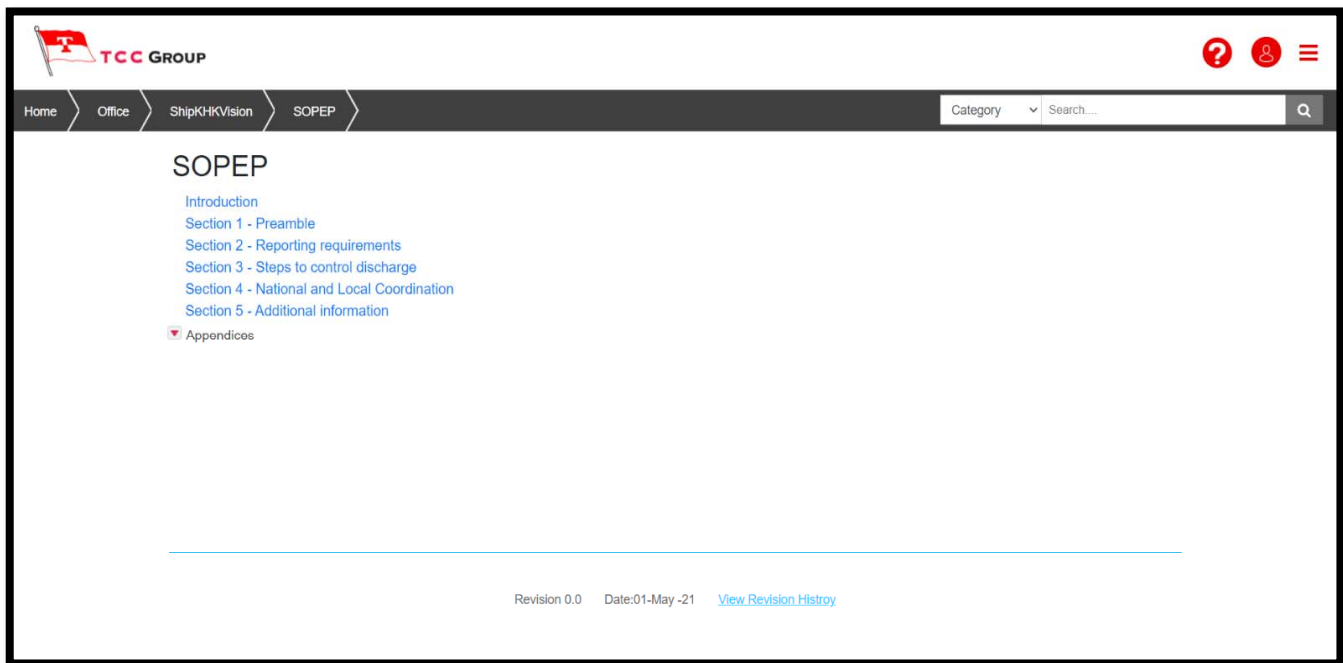

Note : If you log in by office user ID, on clicking the icon will show list of all vessels . But if logged in by any ship ID, it will show that ship name only. On clicking the vessel name, it will take you to the particular vessels dashboard

Vessel Dashboard

A. The above picture shows the vessel dashboard.

Click on the Particular Tab to open that manual e.g If SOPEP tab is clicked SOPEP manual will open as seen in the below Picture

B. The above picture shows the SOPEP window.
